BAITMORE, Sept. 11, 1851.

Messrs. Mortimer & Moubray: I feel it a duty to make known the benefits I have derived from Dr. Hampton's Tincture. For a length of time I have been subject to great prostration of muscular power, and great debility of the nervous system, accompanied with palpitation and fluttering of the heart. I had such sudden attacks that on one occasion I could scarcely get home. I making mention of my case to a friend, he referred me to Joseph K. Stapleton, esq., an old and highly respectable citizen of Baltimore, who had used the Tincture under similar circumstances. I called on Mr. Stapleton, and, after an interview of some minutes, I was fully satisfied of the medical virtues of the Tincture, from the evidence before me, of his own person, who, for some time previous, indicated a failing state of health, but now a hearty, hale appearance, with the activity of youth. I immediately commenced using the Tincture, and, before I took the contents of one bottle, my strength was renewed, and I can walk as brisk and am as active as I was twenty years ago. This Tincture is the grand restorative of the digestive organs, which when destroyed, the whole system is in a state of suffering.

I do assert it is no humbug, but is, in reality, what it is represented to be by Dr. Hampton, the inventor.

A CLOUD OF WITNESSES. We have certificates from Captain Canot, brother to the eminent physician to Louis Napoleon, President of the French republic, who was cured of Rheumatism of seven years' standing; one from Rot. Gault, do., of seven years, one from Mr. Oldham, Baltimore Custom-house, of a dreadful case of dyspepsia; one from Jno. Luke, of a case of dyspepsia and general debility; and one from J. K. Stapleton, esq., of Baltimore, with hundreds of others.

REV. VERNON ESKRIDGE, U. S. N.

PORTSMOUTH, (Va.,) Aug. 18, 1851.

Mr. J. E. Boush.—Dear Sir: While I am in general opposed to Patent Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in Dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

I am, respectfully, yours,

TEMPERANCE CONVENTION AND THE MAY. TWO more splendid seven-octave Pianos, from those celebrated American manufacturers, Hallett, Davis & Co., Boston, have been at the Ladies' Saloon of the Odd-Fellows' Hall. Also, one of H., D. & Co.'s best Louis XIV. style, seven octaves, with rosewood case, four round corners, Gothic moniding, carved plinth, open work-deeks and fret-work, richly-carved legs and highly-finished, which will compare for richness of tone and elegance of style with any manufactured in this country or Europe.

Notwithstanding the scurrilous remarks made by a certain vender of the Chickering Pianos, that "the instruments made by Hallett, Davis & Co., are worthless, perfect humbugs," &c., we can only say that we do not offer the public any but what are the genuine H. D. & Co.\*s; and competent persons, honest, without prejudice, have pronounced them equal, if not superior, to any heretofore offered in this city, and at a saving of one hundred and fifty dollars! Whatever humbug there may be elsewhere, there is none here; and, on behalf of the manufacturers, we challenge competition, and request the public to examine, judge, and decide for themselves. A word to the wise is sufficient.
